

26th World Mining Congress
BRISBANE AUSTRALIA
26-29 JUNE 2023

Future Workforce & Education

New technologies are changing the mining sector dramatically. What implications does this have for the future workforce and employers and how are institutions keeping pace? This stream also examines what new skills will be needed to meet future mining technologies.

Stream Keynote Speakers

Jan Cilliers, Chief Financial Officer, Metcelerate Ltd
Transforming Graduate Metallurgists into Effective Process Engineers

Warwick Agnew, Director-General, Department of Employment, Small Business & Training, Queensland Government

Future education and training challenges for the mining industry

Kate Hobbs, Manager Studies, Prominent Hill, OZ Minerals
Future ways of working: A world without work?
